### EXAM CONFLICTS

Students must take all examinations, whether in-class or take-home, at the time and place announced either on the examination schedule or by the instructor, unless the examination is rescheduled by the Registrar for one of the following reasons:

1. A student has two examinations scheduled on the same day.
2. A student is prevented from taking the examination(s) because of the student’s illness or a death in the student’s immediate family.
3. The Associate Dean has determined that a student is facing other exceptional circumstances that justify rescheduling one or more examinations.

Any examination that is rescheduled shall be administered, if possible, on the reading day prior to the examination period. If rescheduling on the reading day is not possible, the examination will be rescheduled at such time as the Registrar shall determine.
