Office hours: fluctuate each week and will be noted in class

Course objectives: See Clinic Missions and Goals for Students, Mission Statement and Program Goals and Objectives located in the Juvenile Justice Clinic Handbook.

Clinic Student Assessment and Evaluations: See documents contained in the Juvenile Justice Clinic Handbook.

LEGAL CLINIC STUDENTS ARE REQUIRED TO ATTEND ALL CLASSES. Should you need to miss a class, discuss this with Professor Wells before missing the class, if possible.

Classes will meet in Room 104i in the main law school building. And although this class provides lots of opportunities for you to work your own cases and to do “practice-oriented” learning, I do expect you to carefully read the material assigned and to be prepared to discuss it in class.

Class Sessions for Summer 2015

   Introduction to the Juvenile Justice Clinic and Case Assignments

   Assignment: None

   Meet for introduction to the course and Clinic. We will tour the clinic facilities, meet staff, discuss necessary forms, procedures and the critically important concept of client confidentiality.

   We also will discuss the SIU-C Field Trip Policy. The University classifies any off-campus activities as “field trips.” Each clinic student must sign an acknowledgment letter from the Clinic Director as well as SIU-C/Legal Clinic forms for Field Trip Participation and Assumption of Risk. You must complete these forms prior to engaging in any off-campus activities.
