

Early Graduation Request

Graduation outside of your THIRD May: Students are expected to graduate in their third May after entering law school (this excludes the 2-Year JD Honors Program students). To graduate any time other than the third May (early), students must notify the Registrar's Office by completing and submitting the Graduation Check Request (all three pages).

Clearance: Students will not be eligible to graduate outside of their third May if they are not cleared by the Registrar and their student records are not updated.

Other Requirements: Students must complete a graduation application with the University via SalukiNet.

Student ID Number (DawgTag): _____

Student Name: _____

Semester in which I am requesting to graduate: _____

I have completed the Graduation Check Request and have received clearance by the Registrar to apply for early graduation. I understand that my student record will be updated to reflect this change in my expected graduation date. I understand that I must complete a graduation application with the University via SalukiNet to complete my request for early graduation.
