Dependent Information: Married applicants who will be accompanied by spouses and/or children must certify additional financial resources to both the institution and to the U.S. embassy or consular office for dependent visas to be issued. We require you to show proof of funding in the amount of \$5,000.00 per year for a spouse and \$2,500.00 per year for each child. This amount must be shown in addition to the amounts listed above before any dependent documents will be issued. It is also highly advisable to purchase health insurance for accompanying dependents. If you are being sponsored by an agency or your employer, please ensure that the letter of sponsorship indicates agreement to cover your accompanying dependent costs as well as your own.

Contingency Funds: We advise all students to have a contingency plan in place if overseas funds become inaccessible or devalued.
