

The Pay It Forward Pledge

SOUTHERN ILLINOIS UNIVERSITY

SIMMONS
LAW SCHOOL

Your scholarship or award was made possible by the financial support of the University and/or Simmons Law School alumni, students, and friends. This support isn't infinite, so we are asking students like you to make a pledge now to "pay it forward" after you graduate. We don't expect every alum to pay back their entire scholarship or award. But, we do expect everyone to try to give back to the Simmons Law School in some way so that an affordable legal education remains within reach for future generations of Simmons Law Students students.

By accepting a scholarship or award, the recipient agrees to make a non-binding pledge to "Pay It Forward" to another SIU scholarship or award recipient at some time in the future.
