**EXAM CONFLICTS:** Students must take all examinations, whether in-class or take-home, at the time and place announced either on the examination schedule or by the instructor, unless the examination is rescheduled by the Registrar for one of the following reasons: (i) a student has two examinations scheduled on the same day; (ii) a student is prevented from taking the examination(s) because of the student's illness or a death in the student's immediate family; or (iii) the Associate Dean has determined that a student is faced with other exceptional circumstances that justify rescheduling one or more examinations, which determination is not subject to review by grievance or otherwise. A student may not reschedule an examination solely because the student has examinations on consecutive days. **Any examination that is rescheduled shall be administered, if possible, on the reading day prior to the examination period.** If rescheduling on the reading day is not possible, the examination will be rescheduled at such time as the Registrar shall determine. <http://www.law.siu.edu>
