Required Texts
There is no assigned text for this course. The professor will post assigned readings to the class TWEN page.

Class Management System & Technical Requirements
We will use a TWEN page for this course. All assigned class readings and assignments will be posted to the TWEN page.

Students will also need access to SIU VPN to access resources available on the law library’s website. Here is the link to SIU Tech page to request VPN access:
https://oit.siu.edu/networkengineering/services/vpn/

Students should register for IICLE access. Here is the link: https://www.iicle.com/student

They should also have access to Westlaw, Lexis Advance, and Bloomberg Law. All other databases will be accessed through the SIU Law Library’s website: videos. All assignments will be submitted via TWEN.

Bloomberg Law Registration: https://profile.bna.com/bloomberglaw-activate/

Instructional Methods
The teaching technique will be a majority lecture via Zoom. The instructor will use the screen share feature in Zoom to demonstrate how to use the different subscription, non-subscription and internet resources covered in the class. Students will be expected to come to class prepared to discuss the assigned readings, their thoughts on the various resources, including their experiences and problems using the online resources. The instructor will also assign students to small groups to complete and discuss in-class exercises and assignments. Students are expected to contribute to the online discussion.

Workload Expectations
The American Bar Association standards for accrediting law schools contain a formula for calculating the amount of work that constitutes one credit hour. According to ABA Standard 310(b)(1), “a “credit hour” is an amount of work that reasonably approximates: (1) not less than one hour of classroom or direct faculty instruction and two hours of out-of-class student work per week for fifteen weeks, or the equivalent amount of work over a different amount of time.” This is a 1-credit hour class, meaning that we will spend 5 120-minute blocks of time together each week. The amount of assigned reading and out of class preparation should take you about 2 hours for each class session and 10 hours for the week. All told, applying the ABA standard to the number of credits offered for this class, you should plan on spending a total of 30 hours per week (10 in class and 20 preparing for class) on course-related work.
Course Requirements

- Students are expected to complete all assigned readings before class.
- Students are expected to take part in all class discussions and online discussion forums about resources.
- All assignments should be submitted via the assignment and quizzes folder on TWEN.

Grading

Although this course is S/U, grading will be based on a variety of assessment methods, including research assignments, quizzes, a final research assignment, and classroom participation. “The grades of students who take this course will be converted by the Registrar according to the following scale:
2.1 or greater = Satisfactory; below 2.1 = Unsatisfactory. Only students who receive a satisfactory grade will earn academic credit for the course.”

Assignments: There are three graded assignments covering commercial resources, government information, and legal and non-legal information on the Internet. The assignments will be posted and submitted via TWEN. Each graded assignment will be a maximum of 100 points.

Final Assignment: The final assignment will post to TWEN on May 20, 2020. Students will have until Friday, June 5, 2020 at 5:00 pm to complete the assignment. The final assignment will be a maximum of 500 points.

Class Participation: All assigned readings are expected to be completed before class, so that students are able to fully participate in class discussions and activities. Students are expected to contribute to online discussion forums posted by the instructor. They are allowed to pose questions in the discussion forums or respond to comments posted by their classmates. Participation in class discussions and online discussion forums will be a maximum of 200 points.

Collaboration: You Must work individually on all assignments. Do not discuss your assignments with other class members or any other individuals. You are free to ask me any questions you wish. I will answer only those that can be answered fairly. Please refrain from asking any of the librarians for assistance, except for help in finding the location of materials. They may not show you how to use any materials or make recommendations on how to answer any questions.

Penalty for Late Assignments: A 25 point penalty will be assessed when an assignment is submitted after the due date. A 50 point penalty will be assessed on the final assignment if it is submitted late.

***Students should choose a topic and look at how the topic is covered on two different organizations from different sides of the Media Bias Chart. For instance, I decide to look at how Newsmax and Slate handle the issue of voting rights.

In class you will be asked to discuss your topic and the organizations you chose. Consider how the two organizations you chose presented the information, why you chose the two resources, and your thoughts about how the information is presented. You will present this information in class. It will be informal and used to foster class discussion.

**Disability Policy**

Disability Support Services provides the required academic and programmatic support services to students with permanent and temporary disabilities. DSS provides centralized coordination and referral services. To utilize DSS services, students must come to the DSS to open cases. The process involves interviews, reviews of student-supplied documentation, and completion of Disability Accommodation Agreements. http://disabilityservices.siu.edu/. Upon completion of a Disability Accommodation Agreement with DSS, students should bring the agreement to the School of Law Registrar’s Office to ensure the School of Law provides the proper classroom and examination accommodations.

**Emergency Procedures**

Southern Illinois University Carbondale is committed to providing a safe and healthy environment for study and work. Because some health and safety circumstances are beyond our control, we ask that you become familiar with the SIUC Emergency Response Plan and Building Emergency Response Team (BERT) program. Emergency response information is available on posters in buildings on campus, available on BERT’s website at www.bert.siu.edu, Department of Safety’s website www.dps.siu.edu (disaster drop down) and in Emergency Response Guideline pamphlet. Know how to respond to each type of emergency.

Instructors will provide guidance and direction to students in the classroom in the event of an emergency affecting your location. It is important that you follow these
instructions and stay with your instructor during an evacuation or sheltering emergency. The Building Emergency Response Team will provide assistance to your instructor in evacuating the building or sheltering within the facility.

WITHDRAWAL POLICY – Undergraduate only
Students who officially register for a session must officially withdraw from that registration in a timely manner to avoid being charged as well as receiving a failing grade for those classes. An official withdrawal must be initiated by the student, or on behalf of the student through the academic unit, and be processed by the Registrar’s office. For the proper procedures to follow when dropping courses and when withdrawing from SIU visit:
https://registrar.siu.edu/students/withdrawal.php

INCOMPLETE POLICY – Undergraduate only
An INC grade may be assigned when, for reasons beyond their control, students engaged in passing work are unable to complete all class assignments for the course. An INC must be changed to a completed grade within one full semester (undergraduates), and one full year (graduate students), from the close of the term in which the course was taken or graduation, whichever occurs first. Should the student fail to complete the remaining course requirements within the time period designated, the incomplete will be converted to a grade of F and such grade will be computed in the student’s grade point average. For more information visit: https://registrar.siu.edu/grades/incomplete.php

REPEAT POLICY
An undergraduate student may, for the purpose of raising a grade, enroll in a course for credit more than once. For students receiving a letter grade of A, B, C, D, or F, the course repetition must occur at Southern Illinois University Carbondale. Effective for courses taken Summer 2013 or later, only the most recent (last) grade will be calculated in the overall GPA and count toward hours earned.
This policy will be applied to all transferrable credit in that only the last grade will be used to calculate grade point average. Only those courses taken at the same institution are considered repeats under this policy. See full policy at https://registrar.siu.edu/students/repeatclasses.php
