This Crime Scene to Court program

introduces students to the investigation of a possible crime, the processing of forensic evidence, and using the analysis of that evidence at a mock trial.

Students will process a mock crime scene where they will learn through experience as they collect evidence. They will complete laboratory analyses on some of the evidence acquired and conclude with legal training, to prepare as witnesses and attorneys in a mock trial.

This program is FREE (includes lunch) thanks to generous sponsorship from SIU Simmons Law School.

Application deadline: April 24

Priority consideration given to those who apply by April 17

Applicants notified of selection decisions by May 8
