

To request a courses and credit hours check for graduation, students must complete this form and deposit it in the Registrar's Drop Box in the Dean's Suite.

The Registrar will notify the student via email of any course and/or credit hour problems.. The student will have the opportunity to make changes to their schedule within the add/drop period to rectify the problem. To graduate any time other than the third May after matriculation (this excludes the 2-Year JD Accelerated Program students), students must obtain approval from the Registrar. An email will be sent to all 3Ls at the start of their third year (summer semester) with instructions as to how to obtain approval to graduate any time other than their third May.

This is a check of the courses and credit hours requirement only for graduation. Please refer to the School of Law Rules for a complete list of the requirements for graduation.
