

Questionnaire: Academic Basis for Externship

- A. How will the externship complement the remainder of your law school education?
- B. How does this externship relate to your legal education and coursework? Identify any classes or academic interests that connect to the work you expect to perform.
- C. What specific learning objectives do you hope to achieve through this externship?
- D. What legal skills (e.g., research, writing, client communication) do you expect to develop?
