“Field trips”

Part of the time you will be expending in this class to obtain academic credit for the course will involve spending time in academic activities outside of the law school. These off-campus activities are classified by the University as “field trips.” Each student will be required to sign an acknowledgment letter from the Clinic Director and SIUC/Legal Clinic forms for Field Trip Participation and Assumption of Risk at the beginning of the semester prior to engaging in any off-campus activities. The clinic faculty will be conducting an orientation on the Field Trip Policy at the beginning of the semester.

Court Observation

During the semester, each student must observe the civil and criminal court process at work. Attend an order of protection hearing **and** domestic battery trial or sentencing hearing. After attending the hearings, prepare a paper at least two pages in length (double-spaced) describing what you observed. Include in your paper an assessment of what impact, if any, the hearing seemed to have on the victim and the person accused of committing the crime. In the event no domestic battery hearings are scheduled during

this time, you may attend a hearing on another crime against persons case (aggravated battery, sexual assault, etc.). **The paper is due on October 22, 2020.**
