At the conclusion of this course students will be able to:

- Select the authorities that best address the problems assigned
- Locate and interpret federal and state administration regulations

## **Class Policies**

### **Student Courtesy Policy**

The classroom is a shared space where consideration and compassion for others are not negotiable. During lecture, you are expected to remain quiet (unless asking or answering a question) and avoid disrupting your classmates' learning. Continued disruptions may result in expulsion from the classroom, which will count as an absence.

### **Attendance Policy**

Attendance is expected. You are allowed up to two absences for any reason, without penalty. Those exceeding the maximum number of absences will be subject to the ramifications described in the Law School's attendance policy. See School of Law Rules III.5 (f)-(g).

An excerpt from SIU Law's Attendance Policy is below:

Regular Attendance. In accordance with ABA Standard 308(a), the right to take exams, as well as the privilege of continuing as a student at the School of Law, is conditioned on regular attendance and satisfactory completion of coursework. . .[A] student enrolled in a first-year course may not accumulate class hour absences in excess of twice the credit hours in any particular course during the term. . . . The attendance requirement is not subject to modification by a professor, nor may a professor excuse an absence. If the absences allowed under this provision have been exhausted, the Associate Dean for Academic Affairs may grant leave and relief from the regular attendance requirement in extraordinary circumstances. . . . The Associate Dean for Academic Affairs will not grant leave from the rules requiring regular attendance unless the request shows extraordinary circumstances or an unavoidable circumstance. If leave is not granted, the Associate Dean for Academic Affairs will discuss with the student options for withdrawing from a course and retaking in a future semester. [amended 4/19/11; 11/18/22; 5/13/24].

## **Policy for Missed or Late Work & Class Preparation**

Due dates for every assignment and quiz are provided on the Course Management Page. Law is all about deadlines. Missing deadlines, being unprepared for class, or missing meetings can have dire consequences for your clients and for you (malpractice, loss of respect from the court, discipline from the bar association.) **Late work will not be accepted unless approval is given.** That approval will only be granted in extreme circumstances that are clearly beyond your control. Preparation for class means reading the assigned readings, completing CALI lessons, and assignments.

## **Email Policy**

You can expect that emails will be answered within one business day.

## **Law School Honor Code and University Code of Conduct.**

**Both the Honor Code and the Code of Conduct apply and are in effect in this class.**

Read both documents carefully and make sure you comply with both at all times.

**Submitting plagiarized work or any other form of work not your own**, regardless of a student's purpose or intent, is potentially subject to serious sanctions as are other academic, honor code, and conduct code offenses. Do not consult others on the final work product you turn in. If you have any questions regarding the Honor Code, Code of Conduct or either's application, consult me. The following guidance may also be helpful:

✓What you may do: You may discuss assignments, but not quizzes, with other students.

This includes discussing issues, research, and analysis. You may consult teaching assistants, librarians, or your research professor for questions about assignments.

❖ What you **may not** do: You may not turn in work that is not your own. You may not collaborate on assignments (unless permitted in class). The written product must be your own work; you may not copy another student's work and hand it in as your own. You may not seek assistance on any written assignment from anyone except your research professor or a teaching assistant, and teaching assistants are neither obligated nor always permitted to provide assistance. **You may not use Artificial Intelligence to complete any assignment, quiz, CALI lessons, and/or any other assigned work.**

## **Course Workload**

Students should:

- Complete all assigned assignments by the due date

- Complete assigned readings before class
- Come to class prepared to discuss the material and to ask questions about anything that is confusing
- Spend time going over the material covered in class and reworking all in-class problems to ensure you are able to find the material using the various research databases without help
- Ask for help if they need it!

### **Grading**

You earn points toward your grade in Lawyering Skills Research as follows:

- CALI lessons: 10 points each
- Lexis/Westlaw trainings: 50 points
- Quizzes: 100 points each
- Research Plan: 100 points
